## Profile

A business developer with an engineering background. Since 2019 I have been sourcing opportunities, clients and partners for the companies I work with — Master Services, IFACO, WEREACT — and I have helped launch several ventures, including a medical-tourism company serving European clients. Being both technical and commercial, I can understand a product in depth, position it in its market and build client relationships based on trust.

TEXTILE ENGINEERING · BUSINESS CONSULTING · DIGITAL TRANSFORMATION · INNOVATION & R&D

## What I bring to this role

*01* **Prospecting & partnerships**
Sourcing clients and partners at Master Services (since 2019), IFACO (2021) and WEREACT (2022).

*02* **New ventures**
Medical tourism for European clients (PermaGroup, 2019); fashion shops in La Marsa and Ariana.

*03* **Offer & acquisition**
Market positioning, brand image and client-acquisition strategy (IFACO).

*04* **B2B sales & retail**
Custom workwear for companies; sought outlets with large retailers (DUOACCESSORIES).
